Re: United States v. Karl Sebastian Greenwood
Case: 17-CR-630

Dear Judge Ramos,

This office represents Mr. Greenwood. On the government's consent, we are writing to request an adjournment of next week's court conference from June 24, 2020 to **August 5, 2020**. The reason for this request is that while we are still navigating the voluminous and complex discovery, our ability to confer with our client remains substantially limited. Under normal circumstances we would have been able to meet with our client for several hours per day, several days per week, to discuss and prepare the case as necessary. But under current restrictions we are limited to a single thirty-minute phone call per week. The requested adjournment will thus account for these restrictions, and it will allow us sufficient time to communicate with Mr. Greenwood before our next appearance in Court.

Thank you for your consideration.

The June 24 pretrial conference is adjourned to August 5, 2020, at 9:00 AM.
SO ORDERED.
